Re: United States v. Rashawn Assanah
Ind No: 21 Cr. 351 (CM)

Colleen McMahon

Dear Judge McMahon:

I write to respectfully request that the sentence in the referenced matter, currently set for September 20, be postponed to October 14, 2022, or to a date convenient to the Court and parties thereafter. The reason for this request is that the supplement to the PSR was disclosed yesterday, and it is important to address the factual and legal matters raised therein with my client, and to address them in the defense submission due to the Court two weeks before sentence. My client, I am informed, is in compliance with his pre-trial conditions, which include electronic monitoring, and remains employed. The government, by AUSA Marguerite Colson, has no objection to this application.

Thank you very much for your attention to this matter.

Respectfully,

Robert A. Soloway
